Specific Policies and Notes for the Bachelor of Arts in Sustainability Studies – Fast-Track Program for Adults

- SUST 210, Sustainable Future, is a recommended first course in the major.
- English 101 is a pre-requisite for all 200-level Sustainability Studies courses; the University Writing Requirement is a pre-requisite for all 300-level Sustainability Studies courses.
- Relevant Electives: Two courses (six semester hours) chosen in consultation with an advisor from the following subject areas: additional Sustainability Studies, Commerce and Enterprise, Criminal Justice, Hospitality and Tourism Mgmt., Organizational Leadership, Paralegal Studies, Biology, Chemistry, Environmental Science, GIS, Math (especially statistics).
- Double-Majors: The Relevant Elective courses may be combined with the Concentration courses to form a Double-Major in the following areas: Commerce and Enterprise, Criminal Justice, Hospitality and Tourism Management, Organizational Leadership, and Paralegal Studies. All Major requirements in those disciplines must be met. See an advisor.
- Minors: Courses in the Functional Area and Relevant Elective may qualify for an academic Minor in a discipline if all requirements are fulfilled per the RU undergrad catalog.
- Functional Area: The Functional Area is defined as a sequence of six related courses (18 semester hours) in a discipline or an interdisciplinary area, listed below:

Recommended Functional Areas:	Other Functional Areas:	
Biology	Business* (9 sh in one business functional area required)	Natural Sciences*
Chemistry	Communications	Political Science
Criminal Justice	Economics	Psychology
Environmental Science	Education	Social Justice
Hospitality and Tourism Mgmt.	English	Social Science*
Math	Humanities*	Sociology
Organizational Leadership	Individualized* (must be approved by advisor)	
Paralegal Studies	Journalism	(* maximum of three related subject areas allowed)

1/3/2014

Policies Applicable to all Fast-Track Bachelor of Arts Degrees in the College of Professional Studies

- Students should be 24 years of age when they start the Fast-Track Bachelor of Arts majors in the College of Professional Studies.
- New students should take the Roosevelt University Assessment test before registering for their first semester. Students will not be allowed to register for a second semester until the RUA is completed.
- To graduate from Roosevelt University, students must successfully complete their final 30 semester hours of credit at Roosevelt (residency requirement), must complete a minimum of 21 semester hours of coursework at the 300-level at Roosevelt, and must have a 2.0 grade point average.
- Minor: To earn a Minor, a student must complete all requirements as listed in the Roosevelt University Catalog. Not all Minors are available in the Adult Program during 8-week terms. Minors currently available in the 8-week calendar are: Organizational Leadership, Sustainability Studies, and Criminal Justice.
- Functional Area: The Functional Area is defined as a sequence of related courses in a discipline or an interdisciplinary area, with a maximum of three subject areas allowed. For example, students may elect six courses in one discipline like Sociology (and may earn a Minor, if requirements are met). Or students may choose six courses in an interdisciplinary area like the Humanities (combining courses in, say, Speech, Literature, and Gender Studies). Appropriate Functional Areas will be approved by an Academic Advisor in consultation with the Program Director. OLED 320 may substitute as one course in any Functional Area.
- Transfer Credit: Appropriate transfer credit may be used to satisfy requirements throughout the curriculum. Six credit hours of 200-level (or above) transfer credit in an appropriate discipline may be used to satisfy one senior seminar sequence (i.e. PLS 350 and 351). Transfer credit may be used to satisfy senior seminar sequences only if General Elective requirements are already met to achieve 120 semester hours of total college credit.
