2014-2015 Total and Permanent Disability Certification Form

Student Name: _____ **RU ID Number:** _____

Based on information received from the U.S. Department of Education, you have had one or more federal student loans discharged because of total and permanent disability.

Before you may borrow another federal student loan, you must do the following:

1. Read and sign this form and return it to the Financial Aid Office
2. Attach a licensed physician's statement certifying both that you are no longer totally and permanently disabled and that:
    a. you may now engage in "substantial gainful activity," OR
    b. you "can attend school."

The physician's statement must contain the language that appears in quotes above. The statement must be on professional letterhead and contain information on how to contact the physician.

Also, if you have a prior loan that is within the three-year provisional period allowed for disability cancellation, you are required to resume payment on that loan.

Contact our office at FAO@roosevelt.edu for further information.

Please note: this form is not required if you only wish to receive federal grant assistance and do not intend to borrow a federal student loan. See below second paragraph below.

Student Certification: I acknowledge that any new loan that I receive from Roosevelt University may not be discharged due to the same disability as my prior loan(s) unless my disabling condition substantially deteriorates. Attached is a statement from my doctor that I may now engage in "substantial gainful activity" or "can attend school."

_____ _____

Student's Signature Date

***If you are NOT interested in obtaining Federal Student Loans for your educational expenses for the 2014-2015 academic school year and want your financial aid processed without including student loans, please sign below.**
