Roosevelt University MicroFridge Program Information
Fall 2012

Attention all Roosevelt University Residents: Don't forget to order your MicroFridge for 2012-2013! Roosevelt University is partnering for the first time this year with Collegiate Fridge to provide students with a cost-effective way to make move-in day much easier.

Place your order today at www.collegiatefridge.com!

Renting a MicroFridge is a convenient alternative to bringing a refrigerator and microwave from home and we highly recommend that all students living on campus take advantage of this opportunity!

The MicroFridge unit has 2.9 cubic feet total storage and includes a true freezer and microwave. Compared to retail purchase options, this three-in-one appliance is cost-effective and you don't have to drag it to and from home!

We strongly suggest that students take advantage of this service and pre-order their products **BEFORE AUGUST 20**. This will guarantee availability AND you will receive free in-room delivery before move-in day! Quantities are limited, so make sure to place your order **BEFORE AUGUST 20**. Order your MicroFridge from Collegiate Fridge and have one less large item to pack up and move from home! This is especially great for those who live far away from campus or out-of-state!

Last year, thousands of students across the nation rented from Collegiate Fridge. Place your order today with Collegiate Fridge to make move-in day easier!

Roosevelt University would like to encourage you to take advantage of this NEW OFFER available from Collegiate Fridge. We look forward to seeing you this fall!
