

Why is war an increasingly urban and lethal affair?

Find out in the new summer course,

CITIES AT WAR: Chicago and London

Special Short Term Summer Travel Abroad Opportunity

- two weeks in June and July
- three credits in political science, history, or sociology
- two excellent professors who have each published extensively in the fields of international politics and counterterrorism
- undergraduate, graduate options; faculty and staff welcome
- visit the Argonne National Laboratory, the FBI Chicago Field Office, Parliament, the Imperial War Museum, Bletchley Park, London-by-bus, the Museum of the City of London, and more.
