Federal Direct Graduate Plus Loan Disbursements

The government must have a valid Plus Loan Promissory Note and Entrance Counseling form on file before any funds will be released to the school. If you apply for a loan that covers two semesters, loan funds will be disbursed once per term. Loans borrowed for only one semester will be sent in one disbursement. The government will deduct a nominal loan origination fee before the money is disbursed to Roosevelt University.

In applying for this loan, I authorize the release of my credit evaluation results to the Office of Financial Aid at the above listed school.
