

ICL PRESIDENT'S LETTER  
NOVEMBER, 2007

Dear ICLers,

We continue to share an interest in the concept that "It's never too soon or too late for learning" with a willingness to be open to new ideas, decisions, skills or behaviors. During our Fall 2007 Study Groups we have had numerous opportunities to access the expertise of our members in the pursuit of knowledge and shared experience. So, a big congratulations to all who continue to make this happen.

As we head into Winter, don't forget that we will have our Holiday Party on Wednesday, December 5 in the Penthouse. Watch for the announcements and be sure to call to let us know that you are coming and what you will bring for the enjoyment of all. Drinks, plates, etc. will be provided – and great entertainment will be featured. See you there.

As to the future, the Winter Lecture Series will begin on Wednesday, January 23<sup>rd</sup>. A brochure with all of the details of the lectures will be mailed shortly. And, as previously announced, we are hoping to have a limited number of Study Groups to help you get through the Winter.

The Program Committee is deep into planning the Spring Study Groups. Once the brochure is sent out, people will again be able to register via the internet, over the phone or at Registration which will be held on March 12, 2008. Again, if you would like to be a coordinator please contact Sue Harty.

The Strategic Planning Committee has been hard at work and will be bringing several items to the membership in the near future – this will include updated ByLaws for ICL.

Also, the new New Initiatives Committee is available to work on any ideas that any of you might have to make ICL even better and better. If you have any ideas please contact Dorothy Murphy.

As we move into another Chicago winter, “the best to all – and to all a good night.”

Bob Allen, ICL President,

2007/2008
