July 5, 2007

Dear ICLers,

Here we go with more offerings for the summer – following a successful Annual Meeting and Jane Austin Day, we look forward to the Summer Study Groups beginning July 10; the Ice Cream Social on July 16; the Field Museum Trip on July 23; the Summer Celebration on August 6; and the Regional Life-Long Learning Conference on August 19-21.

The 2007/2008 ICL Officers have been elected:

President – Bob Allen;
Vice-President – Bob Masterson;
Secretary – Betty Morley;
Treasurer – Joe Maladra;
Member-at-Large – Terri Collins;
Member-at-Large – David Sullivan;
Member-at-Large – Norine Templeman.

The Chairs of the Standing and Ad Hoc Committees will be in place by the July 9th Advisory Board Meeting. Details will be made available soon.

ICL will be embarking on an aggressive strategic planning process during July and August of 2007. We will be further clarifying where we are now and will be reaching consensus on where we should be going in the next three to five years. These conclusions should be very helpful as decisions are made about what and how ICL should be evolving over the next several years. The overall objective is to make us even better and better.

As ICL members, you can expected to be asked to submit your ideas on ICL's future as the strategic planning process unfolds – more to come in the next several weeks as to how this will be done.

In an effort to add another benefit to our members, we have decided to add a “Community Events” section to ICL's website. If there are any activities involving any of the groups you belong to or are aware of that you believe would be of interest to our membership, please let me know via an e-mail. These should be non-political, non-controversial events that would be generally viewed as under the umbrella of “Life-Long Learning”. We will then review the submissions and have them posted on the website.

If anyone has any ideas as to how ICL can be improved or if anyone would like to get more involved in ICL, please let me know. The strength of our Institute lies in the active participation of as many of our members as possible. So, drop me a line at RobertGAllen@comcast.net.

Have a great Summer.

Bob Allen
