

Dear ICLer's

It's been a very busy summer. Some of the things my wife and I have done so far this summer are – 1) We went to the "Harry Potter" exhibit at the Museum of Science and Industry. If you are at all interested in the Harry Potter movies, you will really enjoy this exhibit. 2) We went to the "Real Pirates" exhibit at the Field Museum. This was much better than I expected and very educational. It's sponsored by National Geographic, so that helped make it a pretty good exhibit. 3) We went to the Rose Gardens at Cantigny Park in Wheaton to spend some time and get a few good pictures. 4) We had lunch at the Green Door Tavern downtown with some of my wife's former co-workers. It's almost a prehistoric building in Chicago on Orleans Street, and the food was pretty good. 5) We went to Taste of Chicago for the first time in about 3 years. I had my favorite – A Robinson's boneless rib sandwich.

ICL's summer is going to be just as busy, and a lot of fun. We have an incredible number of upcoming activities that I hope as many of you as possible will be able to attend –

- 1) On July 23 we have our annual Ice Cream Social and Book Exchange at 3:00 PM. Join us for some really good ice cream and maybe find a good book or two for the summer. Let Margo Temple know if you will be there.
- 2) We have the Holocaust Museum field trip on July 24. You have until July 16 to sign up. It should be a really moving and educational trip.
- 3) We have our Summer Outing on August 17 at Arlington Lakes Golf Club. PLEASE NOTE: THIS IS NOT ONLY FOR GOLFERS. ANYONE CAN JOIN FOR LUNCH AND GAMES STARTING AT NOON.
- 4) We have a White Sox Game trip on August 19 and a Cubs game trip on August 27. Signup for those trips starts on July 16 at 4:00 PM. Contact Jack McKee on that date and time if you want to go.
- 5) We have a Taste of ICL scheduled for August 20<sup>th</sup>. Please bring a friend, neighbor, or relative to see what we have to offer. We will have Study Group Previews that same day, and Fall 2009 registration will also begin that day.

Last month, on Wednesday, June 17 we had our Annual Meeting. I gave a presentation on the "State of ICL." Needless to say, we are doing very well. You can read my presentation at the ICL web site.

Our new Governing Board for 2009-2010 has been formed. We are all listed in the Membership Directory, so don't hesitate to contact us for any reason.

**Elected Officers:**

President:	Bob Masterson	Vice-President:	Sue Harty
