Dear ICLers:

We are now into 2007 and another great year for ICL-Roosevelt – Schaumburg. Attendance at the Lectures is breaking all records and giving us all such pleasure.

Thanks again for all of our members who make our Lifelong Learning group so very wonderful.

Don't forget to visit our website and see all that has been added including the ability to sign-up for the Spring Study Groups on-line and look at the ICL Calendar to mark down all the upcoming events.

Use the March “Taste of ICL”, Registration and Lecture to introduce new people to ICL. The continual addition of members is one of the initiatives that keeps ICL fresh and successful.

As has been announced, we will be hosting an “ICL Regional Conference” in August, 2007. John Wiese is heading up this and needs your help as volunteers. I urge you to contact him and offer your services. This event will really put us on the map as a leader of Life-long Learning groups.

I need the help of some of you. We are beginning to plan for a “Trip to London, England” in June of 2008. The idea is to visit many of the historic sites in and around that great city, to share with one another and to enjoy the theater and pubs. If you would like to help to plan the trip, please contact me at RobertGAllen@comcast.net. We will have an initial meeting in March of 2007. I'll contact those of you who want to help and give you more details.

Oh! – Don't forget to put all of your energies and mystic powers into supporting “Da Bears”. They have made it back to the Super Bowl after 21 years!

All take care – ain't senior life wonderful.

Bob Allen – ICL President
