The U.S. Supreme Court: Behind the Velvet Curtain

In his new book, *Sorcerers' Apprentices: 100 Years of Law Clerks at the United States Supreme Court*, Dr. Ward casts light on the substantial behind-the-scenes influence of law clerks for the U.S. Supreme Court. The book is based on Supreme Court Archives, the personal papers of justices and other Supreme Court figures, and interviews and written surveys with 160 anonymous former clerks. He will reveal his findings at this lecture.
