ROOSEVELT UNIVERSITY
CAREER SERVICES

My Name is:

Ashley Kehoe

I am working at:

Loyola University Chicago

My position is:

Graduate Assistant in Student
Activities/Orientation

Other leadership positions include:

Advisory Board Member for Action
Without Borders, a non-profit
organization that "connects people,
organizations, and resources to
help build a world where all people
can live free and dignified lives";

Raise Your Voice Project Leader of

an initiative to institutionalize service at Roosevelt University

This is a success for me because my employment opportunities
and leadership experiences relate to my passions and my core
values. This process has been more about finding myself than
finding employment.

One piece of advice I would give a current RU student is to
begin the process early, to challenge yourself both personally
and professionally, to be proactive, to plan ahead, and to find a
position that is fulfilling and rewarding
