ROOSEVELT UNIVERSITY  
CAREER SERVICES

My name is:

Doria Dee Johnson

My major is/was:

BGS-History

I am attending the

University of

Wisconsin-Madison

My fellowship is:

University Fellow—

Afro-American

Studies

This is a success for me because My professors at Roosevelt prepared me for graduate study and were very instrumental in helping to prepare a dynamic graduate school application package. One piece of advice I would give a current RU student about the job search is: Be patient and diligent in your search. Take constructive criticism as a sign that people at RU want to help you succeed!
