ROOSEVELT UNIVERSITY
CAREER SERVICES

My Name is:
Matt Gebhardt

I am working at
Loyola University

My position is
Loyola University Summer Graduate
Assistantship in Student Activities/
Orientation and I was recently accepted into
graduate school at Loyola University for their
Higher Education: Student Affairs program.

This is a success for me because I put a lot
of effort into applying for assistantships and
it is a big step forward for me into a career in
student affairs.

One piece of advice I would give a current
RU student about the job search is to apply
to many places and a variety of positions...
keep your options open!
