SECTION I -- Applying to the Programs

These pages contain information on the two Clinical Psychology MA programs offered at Roosevelt University. Please follow the instructions on these pages and submit the completed pages to the Office of Admission after you finish your graduate application.

1.) Name: ________________________________

2.) I wish to apply to the:

   (See descriptions below and check ONLY one)

   [ ] Clinical Psychology (Counseling Practice) MA Program

   OR

   [ ] Clinical Psychology MA Program

Program Descriptions

The Master of Arts in Clinical Psychology (Counseling Practice): This program is designed for those who are interested in counseling practice at the master’s level. The program qualifies graduates to apply for licensure as a professional counselor in many states. This is a 60 semester hour program that provides broad-based training in psychological assessment and intervention as well as in the theory and research supporting these practices. This program is also appropriate for those who wish to prepare for doctoral (PhD or PsyD) programs in clinical psychology.

The Master of Arts in Clinical Psychology: Graduates of this program are NOT eligible to apply for licensure as a professional counselor. This is a 39-40 semester hour program that provides broad-based training in psychological assessment and intervention as well as in the theory and research that supports these practices. This program is designed for those who are currently employed in fields such as social work, counseling, nursing, or business, and wish to broaden their areas of expertise. It is critical to recognize that the structure of laws in Illinois (and other states) precludes recipients of this degree from applying for licensure at the MA level.
3.) Undergraduate Prerequisites

Please list the undergraduate courses you have taken that you believe to be equivalent to our program prerequisites. These will be reviewed for equivalence by the program admission committee. The committee may request course descriptions or syllabi. Students who have completed some but not all undergraduate prerequisites may be admitted conditionally, with the requirement that they complete lacking undergraduate courses before taking graduate courses that hold them as prerequisites.

4.) Personal Statement

Please attach a personal statement of between 500 and 750 words in length in which you describe (a) the development of your interest in clinical psychology (b) the goals you would like to accomplish in your MA level training and (c) your plans for your future should you earn your MA degree. Your personal statement must be typed and double spaced.
SECTION II -- If you are admitted

1.) If admitted to one of the clinical psychology MA programs at Roosevelt University, you will need to satisfy the Psychology Department's competence requirement. This must be accomplished within your first 18 semester hours of graduate coursework and is a prerequisite to all 600-level courses. Failure to satisfy the competence requirement within your first 18 semester hours of graduate registration will result in dismissal from the program. Competence may be accomplished in one of two ways. Please take a moment to decide which Competence option you will follow if you are admitted.

I intend to demonstrate competence through: (See descriptions below and check ONLY one)

☐ 1.) GPA Option I understand that I must achieve at least a 3.3 grade point average in the competency courses for my program.

OR

☐ 2.) GRE Option I have earned a score at the 70th percentile or higher on the Psychology Subject Test of the Graduate Record Examination. I have asked the Educational Testing Service to forward my score to the Department of Psychology at Roosevelt University.

The Department of Psychology at Roosevelt University does not require GRE scores for admission to the MA programs in clinical psychology. However, students may use Psychology Subject Test GRE scores in fulfillment, or in partial fulfillment, of the programs' competency requirement. Please see the Graduate Catalog, or our website (www.roosevelt.edu/cas/sp/clinicalmaprograms.htm) for more information on the competency requirement.

2.) If admitted, I intend to study: (See options below and check ONLY one)

☐ full-time (9 to 12 hours during regular semesters)

OR

☐ part-time (6 or fewer hours during regular semesters)
3.) The Department of Psychology holds a MANDATORY orientation meeting for all newly admitted Clinical Psychology (Counseling Practice) and Clinical Psychology MA students. This orientation meeting is held during the week PRECEDING the start of regular semester. Please keep this in mind when making travel and/or moving plans.
