Surveys out by mid sept , returns would avail for review next admin retreat in Jan

**Table 3. GOALS FOR AY 2011-2012**

**Yellow= some progress, ongoing, Green = completed, Red = no progress, Blue = postponed**

Goal	Status
1. Develop Investment Management Specialization (use this to see what the market is for this area) linked to Exec Ed CFA prep classes	Ongoing significant progress
2. Approve the specialization in Business Analysis linked to Exec Ed certification prep	Ongoing completed
3. Study opportunities for PT DBA, or Doctorate in Accounting (Brian Walker, Henry Silverman, Tom Head)	abandoned
4. Online strategy: put as many as possible UG classes during day onto online format FIN 351, FIN/RE 200 These classes will also be offered in the summer online as well	MGMT 360, INFS 330, ACCTG 304, BLAW 201 Ongoing completed
5. Online strategy: Grad INFS 401, INFS 430 , MKTG 406, FIN 482, INFS 440 will be offered spring 2012 in addition to HR classes currently offered. Online classes will be available in the summer as	INFS 401, MKTG 406, FIN 482, REES 411, MGMT 488

well. INFS 441 FIN 487 HRM 432 Add global HRM and RE online classes Investigate going completely online with MSHRM and look at collaboration with I/O Psych	ongoing
6. Flex Grad Proof of concept: Will initiate new 1CH 2 CH classes. 1CH MGMT 407, 1CH INFS 401? Can some of the 1CH parts be online?	Ongoing (may ask for more volunteers) Toms class only, ongoing
7. Will pilot graduate boot camp in Spring 2012	Postponed to summer 2012 Needs to be scheduled (US)
8. Build the development base and raise \$2 million minimum for the college	Ongoing (completed?)
9. Grow the office incubator in Schaumburg with grant money, build cubicles in a classroom with signs etc.	ongoing
10. Build a coherent strategy for Eship: Parts are: UG degree social eship, Green Teens, social eship specialization, Incubator at Schaumburg, member of chamber and partner with SBDC, exec ed classes, add MBA concentration	Ongoing significant progress
11. Work on new PsyD and Inf Tech MBA(cs) graduate programs with other colleges	Ongoing for summer
12. Grow mentoring program to 20 mentors with 8- 10 students per 2 mentors	completed
13. RE has 20 mentors working one on one with students	
14. Revise the current strategic plan	Ongoing completed
15. Develop new international exchange opportunities and work to find ways to assist students to experience some international activity	Ongoing significant progress
16. Continue to review/refine/develop processes and policies to support our current accreditation and maintain our status for future accreditation.	ongoing
17. AMBA investigation	
18. Investigate/design an UG boot camp for Fall 2012 for retention of freshmen and transfer students altered to freshmen appreciation day Heller Fellows was begun 2012	Significant progress Fall 2013
19. Develop methods and processes to encourage retention of transfer and graduate students	
20. Investigate other ways to train students in skills required for success Work on passport process if time allows  Workshops for students: how to use blackboard, excel sessions, powerpt, etc	Progress in 2012, new goals for 2013
21. Plan the move when details become clear.	Ongoing completed
22. Work with faculty, AB and admin team to clarify and familiarize all groups of standards.	Ongoing significant progress
23. Investigate some ways to innovate the internship program. Is the	Significant progress, now

internship included in the ways it can be?	counts for part of major core completed
24. Make Melissa finish her dissertation by December 2012!!!	ongoing
25.	
26.	

MSF program constructions, costs, length

FT chart of top MSF programs in world

Key factor enrollments for FT students <50

Fundamental challenges, a lot of competition

Chicago area UIC

Quantitative degree focus, faculty availability and add classes (35 CH)

Don Swanton, Dave Nickerson

How many would be suitable for this degree currently? 10-12 classes, need up to 6 new

Admissions reqs stats, calculus

Specialization in investment management, prep course for 1<sup>st</sup> CFA exam

DBA

Argosy program, UIC, Benedictine (2)

Doctorate in Accounting? CH requirement? (60 CH) 21 core, 18 conc

18 hrs in area, research course (4) + 1 dissertation hours
