Instructions: Use this coursework report to track your completed and anticipated prerequisite coursework.

**Term:** term you either took or plan to take the prerequisite course.

**Requirement:** prerequisite course requirement. Note: the lab courses may be built into the course and a grade not be awarded separately from the class. If that is the case, you only have to list the overall grade.

**Course/Number:** list either the course or course number that meets the requirement.

**Grade:** list the grade you earned in the course, if it has been taken

**Credit Hour:** The number of credit hours earned or anticipated for each prerequisite course.

**S/Q:** Note whether the course was taken during a semester or quarter. Then use either the semester hour or quarter hour tables to ensure that you have earned the minimum credit hours per course.

**Total:** Add up the credit hour column to make sure you are meeting the total minimum required hours.
