- **Students seeking a CPA:** Please note that 150 credit hours in specific course areas (undergraduate, graduate, or combination of these) is required to sit for the Certified Public Accountant (CPA) exam. BPS graduates can fulfill this 150 credit hour requirement by earning additional graduate credit, either through degree programs such as the MBA or MSA, or through additional coursework in areas such as organizational leadership, professional accounting, taxation, training and development, and management advisory services and related fields. As well, the Certified Management Accountant (CMA) exam requires a baccalaureate degree. For the most up-to-date information on CPA requirements: <http://www.ilinois-cpa-exam.com/>. If you plan to sit for the CPA you must see an advisor for more information early in your degree program.

## Policies Applicable to all Fast-Track Bachelor of Professional Studies Degrees in the College of Professional Studies

- Students must be 24 years of age when they start the Fast-Track Bachelor of Arts majors in the College of Professional Studies.
- New students should take the Roosevelt University Assessment test before registering for their first semester. Students will not be allowed to register for a second semester until the RUA is completed.
- To graduate from Roosevelt University, students must successfully complete their final 30 semester hours of credit at Roosevelt (residency requirement), must complete a minimum of 21 semester hours of coursework at the 300-level at Roosevelt, and must have a 2.0 grade point average.
- Minor: To earn a Minor, a student must complete all requirements as listed in the Roosevelt University Catalog. Not all Minors are available in the Adult Program during 8-week terms. Minors currently available in the 8-week calendar are: Organizational Leadership, Sustainability Studies, and Criminal Justice.
- Functional Area: The Functional Area is defined as a sequence of related courses in a discipline or an interdisciplinary area, with a maximum of three subject areas allowed. For example, students may elect six courses in one discipline like Sociology (and may earn a Minor, if requirements are met). Or students may choose six courses in an interdisciplinary area like the Humanities (combining courses in, say, Speech, Literature, and Gender Studies). Appropriate Functional Areas will be approved by an Academic Advisor in consultation with the Program Director. OLED 320 may substitute as one course in any Functional Area.
- Transfer Credit: Appropriate transfer credit may be used to satisfy requirements throughout the curriculum. Six credit hours of 200-level (or above) transfer credit in an appropriate discipline may be used to satisfy one senior seminar sequence (i.e. PLS 350 and 351). Transfer credit may be used to satisfy senior seminar sequences only if General Elective requirements are already met to achieve 120 semester hours of total college credit.
