Hide or Reorder your Listed Courses

Hide or reorder the courses listed under the “RU Courses” tab in Blackboard.

1. After successfully logging into Blackboard, clicking on the "RU Courses" tab

2. Click the pinwheel symbol (which manages sections). This symbol is located across from the words “My Courses”

3. Uncheck the boxes under the columns titled “Courses Names” and “Course ID” of the course(s) you would like to hide or no longer wish to view at this time.

4. Reorder courses, drag courses up or down the list using the double-headed arrow to the left of the course menu. Please Note: The double-headed arrow will appear when you are in that area.

5. Click Submit
