Create a Test

There are several steps that need to be taken when assessing students via Tests in Blackboard (Step 1: Create a Test, Step 2: Add Questions to your Test and Step 3) Deploy your test.

1. From the Control Panel under Course Tools, Select Tests, Surveys, and Pools.

2. Select Tests.

3. Click Build Test.

4. Type a test title in the name field.

5. (Optional) - Type in a description and instructions.

6. Click Submit.
