Create a TurnItIn Link

Allow instructors to create a course link in a course area to provide quick access to a resource within the course.

1. Ensure Edit Mode is ON

2. Click on the specific content area located on the main menu (i.e. Submit Assignments, Assignments)

3. Click on Assessments

4. Click on TurnitIn Assignment

5. Click on the radio button across from the appropriate assignment type (i.e. Paper Assignment for to check for plagiarism) and click Next Step

6. a) Type in the Assignment Title, Point Value and you should leave the default to allow only files types that TurnItin can check for originality. Choose the desired Start, Due and Post dates*.

Please Note:
Start date is when students will be able to start uploading their papers to TurnItin. Due date is the deadline date for which students can submit their paper for upload. Post date relates to the availability of GradeMark Papers only (papers you have graded via the TurnItIn system and has no bearing to when grades are posted to the Grade Center.

7. Click Submit to create your TurnItIn Assignment Link

OR
8. Optional – Choose your desire **Optional Settings** by clicking on the + sign to expand the optional settings.

9. You will receive a confirmation that you have successfully added the link. Click ok

10. Students can click on **View/Complete** of the newly created link to upload their assignment
