Self-Enroll in a RU Community or Course

Some Blackboard communities/courses are set up to allow users to self-enroll. Self-enroll yourself in a community/course by following the below steps.

1. After you have logged into Blackboard proceed to the RU Courses tab

2. Type part of or the whole name of the community/class in the Course Search box, and Click Go (i.e. Innovative Teaching Forum)

3. On the Search Results page, find the class and click the down arrow button located next to the course ID. Click on the enroll link.

4. Click Submit to complete the enrollment.

5. The Self Enrollment page will confirm your successful self-enrollment. Click OK to enter the community/course."
