

Associate of Arts with an Environmental Studies Concentration to Bachelor of Arts in Sustainability Studies

The following academic agreement program helps graduates of Harper College transfer to Roosevelt University to complete their bachelor's degree. Students can finish the Harper College Associate of Arts degree with an Environmental Studies Concentration and transfer to Roosevelt University to finish a Roosevelt Bachelor of Arts degree in Sustainability Studies in a total of four years. Those students transferring an AA degree have completed all of the Roosevelt University general education core requirements. No other general education courses will need to be completed unless they are a pre-requisite to the student's major.
