Illinois Public Health Act 85-1315 requires that records be on file at Roosevelt University for all students (1) born on or after January 1, 1957 AND (2) enrolled for six or more credit hours per semester.

The records need to be on file for reports to the State within the first term of enrollment.

All information submitted must be in English.

Be aware that IPPE, IPE, APPE rotation sites may require additional vaccinations, boosters or titer test per their requirements.

Roosevelt University College of Pharmacy will make every effort to inform you of additional site requirements prior to the start of a rotation.

A physician, Institutional Health Service Registered Nurse or public health official must certify all dates by signature and include his or her address and phone number for verification.

Contact the Office of Enrollment and Student Services with questions at 847-330-4500 or email at cop@roosevelt.edu

COMPLETED IMMUNIZATION RECORDS MUST BE ON FILE BY JUNE 15TH, 2011
OR A STUDENT WILL NOT BE ALLOWED TO ATTEND CLASSES.
