

Dear Residents,

First, I want to start by congratulating you all on your 2017-2018 academic year! I hope you all had an amazing summer and are ready to take on the new school year. My name is Cameron I'm your Resident Advisor (RA) but feel free to call me "Cam". I'm a sophomore here at Roosevelt University, studying Criminal Justice with hopes to go to Law School. As your RA, I want you all to feel comfortable coming to me with any problems or concerns that you might have while you transition into the school year.

If you all are unfamiliar with the Wabash community, there is a ton of opportunities to become involved within the residence hall. We have the Wabash Community Council (WCC) and National Residence Hall Honorary (NRHH). This year, we are introducing our PODSS program. PODSS, or Pathways and Opportunities for the Development of Student Success, is the new and improved version of RU's Living Learning Communities.

As your RA, I will help provide activities and programs you through the year that allow us to grow together as residents in the Wabash community. For any question concerns or if you just want to talk about how the Sox are better than the Cubs ☺ , please feel free to contact me via email at cmatthew@mail.roosevelt.edu or just stop by my room.

I hope you all have smooth transition on this move in day and I can't wait to meet you all.

Sincerely,
RA Cam
