

# WELCOME TO ROOSEVELT UNIVERSITY!

THE MAGIC BEGINS HERE!

To whom it may concern,

I would like to formally congratulate you on being accepted to our wonderful university where you will learn how to fly! You have been chosen to be a part of this school because of your particular set of skills and the magic that you possess. There are so many things to learn and explore in this vast land. You may be wondering where to begin and where to start this adventure. If you look in the hallway to your floor board there are a few places to start that may help.

I am your RA (prefect), Tiffany, for the 30<sup>nd</sup> floor! I am a Junior this year and a CCPA Music Conservatory Vocal Performance major. I love to sing, dance, travel, watch movies and love to find new adventures and things to learn. As you can tell, I also like movies (if you don't know Mr. Potter it's fine we can have a movie marathon). When not in Chicago, I live with my family back in the small town of Mattawan, Michigan with my little brother and two adorable dogs (both of which are Chugs, pug and Chihuahua mixes). This is my second year as an RA, and I am already making a list of fun events that everyone is invited to; game nights, movies, crafts, good food and anything else you would be interested in. Please don't hesitate to tell me any ideas of things you would want to do this year!

Sometimes, starting a new chapter can feel a little lonely and scary, especially if you are new to a big city like Chicago, but I want you to know that I am always just a phone call, email or a knock on a door away. Community is very important to me and if a community becomes a family, even better. I am always here to help!

If you have any questions about living in the dorms or college life over the summer, you can email me at [tmelvin@mail.roosevelt.edu](mailto:tmelvin@mail.roosevelt.edu) 😊

I cannot wait to meet you all!

~ RA Tiffany (Calling me Tiff is okay too 😊)
