

Biographical Information	Born in Havana, Cuba
Current Positions	Professor Department of Psychology Roosevelt University 430 South Michigan Avenue Chicago, IL 60605 Phone: 312-341-6380 Fax: 312-341-6362 Email: jchoca@roosevelt.edu
License	Clinical Psychologist, State of Illinois
Board	American Board of Assessment Psychology
Languages	Fluency in both English and Spanish
Membership in Professional Organizations	American Psychological Association Hispanic Neuropsychological Society International Society for the Study of Personality National Latino Psychological Association National Academy of Neuropsychology Society for Personality Assessment (Fellow)
Education	Benedictine College, Atchison, Kansas September of 1963 to June of 1966 Loyola University of Chicago September of 1966 to June of 1972 Bachelor of Science, 1968 Master of Arts in Clinical Psychology, 1970 Doctor of Philosophy in Clinical Psychology, 1972

**Clinical
Training**

North Chicago Medical Center, Department of Veterans Affairs
Great Lakes, IL (1968-1970)

Lake Forest College Counseling Center
Lake Forest, IL (1970)

Milwaukee Veterans Affairs Medical Center
Milwaukee, WI (1970-1971)

Lakeside Veterans Administration Hospital
333 East Huron
Chicago, IL 60611 (1971-1972)

Children's Memorial Hospital, Chicago, IL (1972)

Training in neuropsychology under Joseph Bleiberg, PhD,
Director of the Rehabilitation Institute of Chicago (1980-1985)

**Past
Positions**

Chair of Psychology
Roosevelt University
July 2004 to January 2015

Director of Doctoral Studies
Roosevelt University
January of 1999 to July of 2004

Associate Professor, Division of Psychology
Department of Psychiatry and Behavioral Sciences
Northwestern University Medical School
1975 to 1999

Deputy Chief, Jesse Brown VA Medical Center, 1997 to 1999
Chief, VA Lakeside Medical Center, 1979 to 1997
Staff Psychologist, VA Lakeside Medical Center, 1974 to 1979

Assistant Professor, Benedictine University, Lisle, IL
September of 1972 to July of 1974

**Current
Research
Interests**

Development of a DSM-5 based emotional questionnaire
Standardization of Spanish version of above questionnaire
Development of a briefer clinical version of the Rorschach

**Teaching
Experience**

Courses taught have included Introduction to Psychology,
Basic Clinical Skills, Intellectual Assessment; Personality
Assessment; Projective Personality Assessment;
Psychopathology; Neuropsychological Assessment; Diagnostic
Seminar; and History and Systems of Psychology.

PAPERS AND PRESENTATIONS

Agresti, A. A., Mouton, A., & Choca, J. (1991, October). *Two dimensional analysis of Category Test performance*. Paper presented at the annual meeting of the National Academy of Neuropsychology, Dallas, TX.

Agresti, A., Mouton, A., Choca, J., & Laatsch, L. (1992, August). *Error pattern independence of score on Category Test performance*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Alexander, G. E., Choca, J. P., Bresolin, L. B., DeWolfe, A. S., Johnson, J. E., & Ostrow, D. G. (1987, May). *Personality styles in affective disorders: Trait components of a state disorder*. Paper presented at the meeting of the Midwestern Psychological Association, Chicago, IL.

Alexander, G. E., Choca, J. P., DeWolfe, A. S., Bresolin, L. B., Johnson, J. E., & Ostrow, D. G. (1987, August). *Interaction between personality and mood in unipolar and bipolar patients*. Paper presented at the annual convention of the American Psychological Association, New York, NY.

Arribas, D., Fernández, I., Corral, S., Cardenal, V., Sánchez-López, M. P., Ortíz-Tallo, M., & Choca, J. P. (2008, August). *Spanish version of the MCMI-III*. Poster presented at the annual convention of the American Psychological Association, Boston, MA.

Bresolin, M., & Choca, J. (1985, August). *A comparative study of computer administered MMPI's with psychiatric inpatients*. Paper presented at the annual convention of the American Psychological Association, Los Angeles, CA.

Bresolin, L., Choca, J., Okonek, A., & Ostrow, D. (1986, August). *The validity of the MCMI in the assessment of affective disorders*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Chan, E., Choca, J., & Nelson, D. (2002, August). *Performance Differences Between Low-Acculturated Chinese and Caucasian-American Students on the Emotional Assessment System*. Paper presented at the annual convention of the Asian American Psychological Association, Chicago, IL.

Cheney, D., Choca, J. P., Benjamin, D., Garside, D. (2015, March). *Exploring the relationship of the Shipley-2 and the Computerized Category Test*. Paper presented at the annual meeting of the Society for Personality Assessment, Brooklyn, NY.

Choca, J. (1992, August). *Treatment plan and supportive psychotherapy training with the MCMI*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Choca, J. P. (1993, August). Fifty year retrospective: Milestones and controversies. In J. P. Choca (Chair), *The Category Test on its 50th year: History and future*. Symposium conducted at the annual convention of the American Psychological Association, Toronto, Canada.

Choca, J. P. (1996, August). *The equivalence of the Intermediate Category Test and Boll's Children's Category Test with Hispanics*. Paper presented at the annual convention of the American Psychological Association, Toronto, Ontario, Canada.

Choca, J. P. (1997, August). *Millon personality polarities and the MCMI-III*. Paper presented at the annual convention of the American Psychological Association, Chicago, IL.

Choca, J. P. (1998, August). The evolution of Millon personality styles. In S. Strack (Chair), *Millon's evolving theory and measures*. Symposium conducted at the annual convention of the American Psychological Association, San Francisco, CA.

Choca, J. P. (2000, August). Overview of the Emotional Assessment System. In J. Choca (Chair), *Developing a DSM-IV psychological inventory—The Emotional Assessment System*. Symposium conducted at the annual convention of the American Psychological Association, Washington, DC.

Choca, J. P. (2003, August). Overview of the Emotional Assessment System (EAS). In J. Choca (Chair), *Developments with the Emotional Assessment System—An adaptive DSM-IV inventory*. Symposium conducted at the annual convention of the American Psychological Association, Toronto, Ontario, Canada.

Choca, J. P. (2004, July). National versus local test norms. In J. Georgas and J. Choca (Chairs), *Culture and intelligence testing—Cross-cultural issues involving the WISC-III and WAIS-III*. Symposium conducted at the annual convention of the American Psychological Association, Honolulu, Hawaii.

Choca, J. P. (2005, March). The Emotional Assessment System: An adaptive DSM-IV-based personality inventory. In N. Abeles (Chair), *Perspectives on the future of personality assessment*. Symposium conducted at the annual convention of the Society for Personality Assessment, Chicago.

Choca, J. P. (2005, August). New developments in the Emotional Assessment System (EAS). In S. Strack (chair), *New developments in psychodiagnostic assessment*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Choca, J. P. (2006, August). Historical perspectives on the influence of education on intellectual scores. In J. Choca (chair), *Relationship of education and intellectual scores across cultures*. Symposium at the annual convention of the American Psychological Association, New Orleans, LA.

Choca, J. P. (2008, March). Overview of the Emotional Assessment System. In J. Choca (chair), *Developing a test for the 21st century: The Emotional Assessment System*. Symposium presented at the annual meeting of the Society for Personality Assessment, New Orleans.

Choca, J. P. (2008, August). Overview of the Emotional Assessment System. In J. Choca (chair), *Introduction to the Emotional Assessment System, a new DSM-IV inventory*. Symposium presented at the annual meeting of the American Psychological Association, Boston, MA.

Choca, J. P. (2008, August). Discussant in S. Strack (chair), *New developments in Millon inventories assessment*. Symposium presented at the annual meeting of the American Psychological Association, Boston, MA.

Choca, J. P. (2008, September). *Clinical assessment and diagnosis of Latinos*. Paper presented at the Cultural Impact Conference, Chicago.

Choca, J. P. (2011, August). *The MCMI-III and the DSM-5*. In S. Strack (chair), How well do existing measures assess the proposed DSM-5 criteria for personality disorders? Symposium presented at the annual convention of the American Psychological Association, Washington, DC.

Choca, J. P. (2014, June). *Contemporary clinical utilization of the Rorschach*. Invited address to the Minneapolis Rorschach Society, Minneapolis, MN.

Choca, J. P. (2015, March). *The future of the Rorschach: Reclaiming the test from the empiricist's pawn shop*. Paper presented at the annual meeting of the Society for Personality Assessment, Brooklyn, NY.

Choca, J. P. (2015, March). *Hertz Presentation: In memory of Theodore Millon*. Invited talk presented at the annual meeting of the Society for Personality Assessment, Brooklyn, NY.

Choca, J. P. (2018, March). *Adjusting the Rorschach to the XXI Century*. Workshop presented at the annual meeting of the Society for Personality Assessment, Washington, DC.

Choca, J. P. (2018, March). *Using the MCMI-IV in treatment*. In S. Dawood (Chair) Personality assessment and treatment planning. Symposium presented at the annual meeting of the Society for Personality Assessment, Washington, DC.

Choca, J. P., & Agosta, A. (2016, August). *Developing an inventory for the DSM-5*. Symposium presented at the annual convention of the American Psychological Association, Denver, CO.

Choca, J. P., & Arribas, D. (2009, March). Differences in the presentation of Hispanic patients on the MCMI-III. In S. Strack (chair), *Current research on psychometrics and clinical applications of the MCMI-III*. Symposium presented at the annual meeting of the Society for Personality Assessment, Chicago.

Choca, J., Bresolin, L., Okonek, A., & Ostrow, D. (1986, March). *The validity of the Millon Clinical Multiaxial Inventory in the assessment of affective disorders*. Paper presented at the Conference on the Millon Clinical Inventories, Miami, FL.

Choca, J. P., Francis, K., & Garside, D. (2013, March). Factor analytic validation of the proposed DSM-5 traits. Paper presented at the annual meeting of the Society for Personality Assessment, San Diego, CA.

Choca, J. P., Gibeau, P. M., Craig, R. J., & Van Denburg, E. (2000, August). Diagnostic efficiency of the Millon Clinical Multiaxial Inventory-III. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Choca, J., Greenblatt, R., Tobin, D., Shanley, L., & Van Denburg, E. (1989, August). *Factor analytic structure of the MCMI items*. Paper presented at the annual convention of the American Psychological Association, New Orleans, LA.

Choca, J., & Laatsch, L. (1994, August). *Equivalence of the Adaptive Category Test and the full Halstead version*. Paper presented at the annual convention of the American Psychological Association, Los Angeles, CA.

Choca, J. P., & Laatsch, L. (1997, August). *Developing a test for the year 2000: The Emotional Assessment System*. Paper presented at the annual convention of the American Psychological Association, Chicago, IL.

Choca, J., & Morris, J. (1990, August). *Administering the Category Test by computer: Equivalence of results*. Paper presented at the annual convention of the American Psychological Association, Boston, MA.

Choca, J., Muñoz, C., Garside, D. (2009, August). *Are MCMI-III personality scales measuring personality disorders or personality styles?* Paper presented at the annual convention of the American Psychological Association, Toronto, Ontario, Canada.

Choca, J., Okonek, A., Ferm, R., & Ostrow, D. (1982, May). *The relationship of personality style and lithium efflux in affective disorders*. Paper presented at the meeting of the American Psychiatric Association, Toronto, Canada.

Choca, J., Peterson, C., Shanley, L., Mangoubi, E., & Richards, H. (1985, August). *Models predicting length of psychiatric stay: the problem of generalizability*. Paper presented at the annual convention of the American Psychological Association, Los Angeles, CA.

Choca, J., Peterson, C., & Shanley, L. (1986, August). *Racial bias and the MCMI*. Paper presented at the annual convention of the American Psychological Association, Washington, D.C.

Choca, J., Retzlaff, P., Strack, S., Mouton, A., & Van Denburg, E. (1994, August). *Factorial elements of the MCMI-II personality scales*. Paper presented at the annual convention of the American Psychological Association, Los Angeles, CA.

Choca, J. P., & Rossini, E. (2008, March). *Interpreting the Millon Clinical Multiaxial Inventory*. Workshop presented at the annual meeting of the Society for Personality Assessment, New Orleans.

Choca, J. P., Rossini, E. D., & Craig, R. J. (2005, March). *Advanced interpretations for the Millon Clinical Multiaxial Inventory*. Workshop conducted at the annual convention of the Society for Personality Assessment, Chicago.

Choca, J. P., Rossini, E. D., & Craig, R. J. (2009, March). *Advanced interpretations for the Millon Clinical Multiaxial Inventory*. Workshop conducted at the annual convention of the Society for Personality Assessment, Chicago.

Choca, J. P., & Rossini, E. D. (2016, March). The Practical Rorschach: Adapting the Rorschach to the 21st century. Symposium conducted at the annual convention of the Society for Personality Assessment, Chicago.

Choca, J. P., Strack, S. N., & Rossini, E. (2011, March). *Application of the MCMI-III in diverse populations*. Workshop presented at the annual meeting of the Society for Personality Assessment, Boston, MA.

Choca, J. P., Shanley, L. A., Peterson, C. A., & Hong, J. (1987, August). *Post-traumatic stress disorder scale for the MCMI*. Paper presented at the annual convention of the American Psychological Association, New York, NY.

Choca, J. P., Van Denburg, E., Bratu, M. E., Meagher, S., & Updegrave, A. (1996, March). *Personality changes of psychiatric patients with aging*. Paper presented at the annual meeting of the Society for Personality Assessment, Denver, CO.

Choca, J., Van Denburg, E., Mouton, A. (1994, March). *Time for a new look at an old Rorschach marker: Reaction times collected with the Hermann computer program*. Paper presented at the annual meeting of the Society for Personality Assessment, Chicago, IL.

Choca, J., Van Denburg, E., Mouton, A., Shanley, L., & Levy, S. (1993, March). *The use of the Hermann computer program in the administration of the Rorschach Inkblot Test*. Paper presented at the annual meeting of the Society for Personality Assessment, San Francisco, CA.

Cook, P. K., Rossini, E., & Choca, J. P. (2003, August). *Scrambled versus nested administration of items in a DSM-IV questionnaire*. Poster presented at the annual convention of the American Psychological Association, Toronto, Ontario, Canada

Davis, W., Greenblatt, R., & Choca, J. (1991, August). *Racial bias and the MCMI-II*. Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.

Dean, K. J., & Choca, J. (2001, August). *Psychological changes of emotionally disturbed men with age*. Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.

del Rosario, M., Choca, J. P., & Lu, L. (2011, August). *New scale for the Halstead Category Test*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Dunkel, T. M., Choca, J. P., & Kvaal, S. A. (2008, March). *Concurrent validation of a DSM-IV-based diagnostic assessment: The Emotional Assessment System*. Poster presented at the annual meeting of the Society for Personality Assessment, New Orleans.

Fenstermacher, J., Choca, J. P., & Garside, D. (2015, March). *The Roosevelt University Digit Span Test (RUDS): Equivalence of Results*. Paper presented at the annual meeting of the Society for Personality Assessment, Brooklyn, NY.

Grujic, Z., Choca, J., Russell, E. J., & Saver, J. (1994, July). *Prosopagnosia due to unilateral left occipitotemporal infarction*. Paper presented at the annual meeting of the American Neuropsychiatric Association, Newport, RI.

Hallongren, R. A., & Choca, J. P. (2006, August). *Temporal stability of the Emotional Assessment System*. Paper presented at the annual convention of the American Psychological Association, New Orleans, LA.

Hoffman, B., Choca, J., Gutmann, D., Shanley, L., & Van Denburg, E. (1989, August). *Personality changes with aging in male psychiatric patients*. Paper presented at the annual convention of the American Psychological Association, New Orleans, LA.

Hunter, J, Choca, J. P., & Garside, D. (2015, March). *Racial differences on the MCMI-III*. Paper presented at the annual meeting of the Society for Personality Assessment, Brooklyn, NY.

Hydes, N., & Choca, J. P. (2003, August). *Convergent validity of the MCMI-III and the Emotional Assessment System (EAS)*. Poster presented at the annual convention of the American Psychological Association, Toronto, Ontario, Canada.

Krueger, K. R., & Choca, J. P. (2011, November) *Assessing intelligence nad pre-morbid intelligence in the Spanish speaker*. Invited address at the annual meeting of the National Academy of Neuropsychology, Marco Island, FL.

Krueger, K. R., de la Torre, G. G., Fuentes, H., & Choca, J. P. (2005, August). Comparing Spanish and English norms for the WAIS and WMS. In J. Choca (chair), *Spanish language adaptations of the Wechsler scales – WISC-IV, WAIS-III/WMS-III*. Symposium at the annual convention of the American Psychological Association, Washington, DC.

Laatsch, L., & Choca, J. (1990, August). *Understanding the Category Test using item analysis*. Paper presented at the annual convention of the American Psychological Association, Boston, MA.

Laatsch, L., & Choca, J. (1991, August). Creation of a computer-based adaptive Category Test. In L. Laatsch & J. Choca (Co-chairs), *Computer-based adaptive testing: Applications to psychological assessment*. Symposium conducted at the annual convention of the American Psychological Association, San Francisco, CA.

Laatsch, L. K., Sandlow, L., Klamen, D., & Choca, J. P. (2000, August). Problem-solving skills using Adaptive Category Test in graduate students. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Leonard, J., Choca, J. P., & Gloss, B. (2004, March). *The Emotional Assessment System and Millon Adolescent Clinical Inventory with juvenile delinquents: A Comparison*. Paper presented at the annual meeting of the Society for Personality Assessment, Miami, FL.

Miller, K., Choca, J., DeWolfe, A., Johnson, J., & Maier, R. (1995, August). *Personality patterns of male psychiatric patients: Analysis of the MCMI-II across clustering methods and clinical samples*. Paper presented at the annual convention of the American Psychological Association, New York, NY.

Miller, K., & Choca, J. (1997, August). *Ethnic minority and majority MCMI-III personality clusters*. Poster session presented at the annual convention of the American Psychological Association, Chicago, IL.

Mitchell, K. L., & Choca, J. P. (2006, August). *Computerized assessment of neurologic disease: The Emotional Assessment System*. Paper presented at the annual convention of the American Psychological Association, New Orleans, LA.

Muñoz, C., Choca, J., Garside, D. (2009, August). *MCMI-III and Hispanics*. Paper presented at the annual convention of the American Psychological Association, Toronto, Ontario, Canada.

Muñoz, C., Rossini, E., Choca, J., & Garside, D. (2011, March). *Psychiatric norms for the Rorschach*. Paper presented at the annual meeting of the Society for Personality Assessment, Boston, MA.

Myers, M., & Choca, J. P. (2005, August). *Gender differences on items derived from the DSM-IV*. Paper presented at the annual convention of the American Psychological Association, Washington, DC.

Jasinski, N. E., Choca, J. P., & Ferrell, K. R. (2007, August). *Face validity of five scales of the Emotional Assessment System*. Paper presented at the annual convention of the American Psychological Association, San Francisco, CA.

Krueger, K., de la Torre, G. G., & Choca, J. P. (2006, August). Should standard scores be adjusted for the level of education? In J. Choca (chair), *Relationship of education and intellectual scores across cultures*. Symposium at the annual convention of the American Psychological Association, New Orleans, LA.

Pérez Martínez, S., Krueger, K., Choca, J. P., & Garside, D. (2012, August). Demographic adjustments for the Spanish version of the Reynolds Intellectual Assessment Scale. In J. Choca (chair), *Update on the Reynolds Intellectual Assessment Scale*. Symposium at the annual convention of the American Psychological Association, Orlando, FL.

Rossi, G., Strack, S., & Choca, J. (2010, March). *The ability of the Grossman Facet Scales to refine the diagnostic utility of the MCMI-III: an IRT analysis*. Paper presented at the annual meeting of the Society for Personality Assessment, San Jose, CA.

Rossini, E., & Choca, J. P. (2010, August). Trends in aging with the MCMI-III in the United States. In J. Choca (chair), *International mellowing with age—MCMI-III data from four countries*. Symposium presented at the annual convention of the American Psychological Association, San Diego, CA.

Rossini, E. D., Choca, J. P., Fenn, D. L., & Muñoz, C. (2012, March). *The teaching and learning of projective tests*. Workshop conducted at the annual convention of the Society for Personality Assessment, Chicago.

Rouff, L., Van Denburg, E., Newman, A., & Choca, J. (1995, August). *Prediction of dropout in an outpatient VA psychiatric clinic*. Paper presented at the annual convention of the American Psychological Association, New York, NY.

Shimoni, Y., Benjamin, D. Paul, J., Choca, J., & Kholomyansky, R. (2016, March). Using the Emotional Assessment System to identify population sub-group differences. Paper presented at the annual convention of the Society for Personality Assessment, Chicago.

Strack, S. N., Choca, J. P., & Haddy, C. (2003, May). *Circular Structure of Emotional Assessment System (EAS) Personality Disorder Scales*. Paper presented at the Sixth Annual Meeting of the Society for Interpersonal Theory and Research, Vancouver, BC, Canada.

Strack, S., Choca, J. P., & Arribas, D. (2009, March). Profile characteristics of psychiatric patients on the MCMI-III. In S. Strack (chair), *Current research on psychometrics and clinical applications of the MCMI-III*. Symposium presented at the annual meeting of the Society for Personality Assessment, Chicago.

Strack, S., & Choca, J. P. (2010, March). *Using gender-free versus gender norms: Do profiles change?* Paper presented at the annual meeting of the Society for Personality Assessment, San Jose, CA.

Swanson, M., Craig, R., Choca, J., & Garside, D. (2012, March). *Facets of personality: Factor analysis of MCMI-III personality scales for the development of empirically-based facet scales*. Poster presented at the annual convention of the Society for Personality Assessment, Chicago.

Tullis, J. L., Choca, J., & Garside, D. (2014, March). *The evolution of the Halstead Category Test*. Poster presented at the annual convention of the Society for Personality Assessment, Arlington, VA.

Van Denburg, E., Mouton, A., Shanley, L., & Choca, J. (1994, August). *Concordance in ratings by therapists and supervisors*. Paper presented at the annual convention of the American Psychological Association, Los Angeles, CA.

Varn, M. E., Choca, J. P., & Kvaal, S. (2006, August). *A DSM-IV-based diagnostic instrument: The Emotional Assessment System (EAS)*. Paper presented at the annual convention of the American Psychological Association, New Orleans, LA.

Wassertheil-Smoller, S., Arredondo, E., Avilés-Santa, L., Choca, J., LaVange, L., Lee-Rey, E., Mosley, T., Penedo, F., Santisteban, D., Talavera, G., & Zee, P. (2011, March). *Depression and anxiety in Hispanic/Latino subgroups in the United States and the relation to acculturation*. Paper presented at the convention of the American Heart Association.

INTERNATIONAL PRESENTATIONS

Cultural Diversity immersion course for Roosevelt University in Guatemala with Professor Roberto Clemente, January 2008 and January 2009.

Choca, J. P. (2009, September). *Interpreting the Millon Clinical Multiaxial Inventory*. Invited workshop presented at the University of Denmark, Roskilde, Denmark.

Choca, J. P. (2010, March). *La evaluación de la inteligencia con las escalas de Wechsler: Su aplicación en Neuropsicología*. Invited address at the Psychology Faculty of the University of Seville, Seville, Spain.

Choca, J. P. (2010, March). *La evaluación de la inteligencia con las escalas de Wechsler: Su aplicación en Neuropsicología*. Invited address at the Col·legi Oficial de Psicòlegs de Catalunya, Barcelona, Spain.

Choca, J. P. (2010, April). *La evaluación de la inteligencia con las escalas de Wechsler: Su aplicación en Neuropsicología*. Invited address at TEA Ediciones, Madrid, Spain.

Choca, J. P. (2010, April). Introduction to the Millon Clinical Multiaxial Inventory. Invited address at the Universidad del País Vasco, San Sebastián, Spain.

Choca, J.P. (2013, July). Evaluación de pacientes. Invited workshop at the Universidad de Cádiz, Cádiz, Spain.

Choca, J. P. (2015, July). *El uso del Hermann Rorschach administrator and scoring assistant Computer program*. Paper presented at the Congreso Latinoamericano de Rorschach, Santiago de Chile, Chile.

Choca, J. P. (2015, July). *Rescatando el Rorschach de la casa de empeños empíricos estadounidense*. Paper presented at the Congreso Latinoamericano de Rorschach, Santiago de Chile, Chile.

Choca, J.P. (2015, August). *La evaluación Neuropsicológica*. Invited workshop at the Universidad of Concepción, Concepción, Chile.

Choca, J.P. (2017, March). *El Sistema Autodiagnóstico de Balances Emocionales: Un cuestionario para nuestros tiempos (The Sistema Autodiagnóstico de Balances Emocionales: A personality inventory for our times)*. Invited presentation at the Universidad de Santo Tomás, Concepción, Chile.

Choca, J.P. (2017, March). *El Sistema Autodiagnóstico de Balances Emocionales: Un cuestionario para nuestros tiempos (The Sistema Autodiagnóstico de Balances Emocionales: A personality inventory for our times)*. Invited presentation at the Universidad Católica de Argentina, Buenos Aires, Argentina.

Choca, J.P. (2017, April). *Validez e importancia del Rorschach (The validity and importance of the Rorschach)*. Invited presentation at the Universidad Católica Argentina, Buenos Aires, Argentina

Choca, J.P. (2017, April). *El Rorschach Básico (The Basic Rorschach)*. Invited workshop at the Asociación Argentina de Estudio e Investigación en Psicodiagnóstico (ADEIP), Rosario, Argentina.

Choca, J.P. (2017, April). Comparant test projectius i qüestionaris: Novetats en el món dels exàmens projectius (Comparing projective tests and questionnaires: New developments in the world of projective tests). Invited address at the Col·legi Oficial de Psicologia de Catalunya, Barcelona, Spain.

Choca, J.P. (2017, April). *Etat actual del Rorschach i future: Intents d'agilitzar el seu ús* (The status of the Rorschach and its future: Proposals for making the test more useful). Workshop done at the Col-legio Oficial de Psicologia de Catalunya. Barcelona, Spain.

Choca, J.P. (2017, April). *Presentació de casos i comparació amb el Rorschach reduït que proposa el professor James Choca* (Presentation of cases and comparison with the reduced Rorschach proposed by Professor James Choca. Workshop done at the Col-legio Oficial de Psicologia de Catalunya. Barcelona, Spain.
