

# CURRICULUM VITAE

## KENNETH PAUL KING

### EDUCATION

Northern Illinois University, Ed. D. degree in Curriculum and Instruction (1998).

- Cognate in science education
- Dissertation director: Thomas E. Thompson.

Northern Illinois University, M.S. Ed. in Curriculum and Supervision (1990).

Iowa State University, B.S. in Psychology with minor in Physics (1985).

### EXPERIENCE

#### Administrative Positions in Higher Education

Roosevelt University, Chicago and Schaumburg, IL. (2008 – 2009; 2012 – 2018)

- College of Education, Elementary Education site coordinator for Schaumburg campus program. (2017 – 2018).
- Roosevelt University, Chicago and Schaumburg, IL. (2013 – 2016). College of Education, Elementary Education Program Director.
- Roosevelt University, Chicago and Schaumburg, IL. (2012 – 2013). Department of Curriculum Studies, Elementary Education Program Coordinator.
- Roosevelt University, Chicago and Schaumburg, IL. (2009). Department of Curriculum Studies, Department Chair.
- Roosevelt University, Chicago and Schaumburg, IL. (2008). Department of Teaching and Learning, Assistant to the Chair.

#### Academic Positions in Higher Education

University of Wisconsin – Eau Claire, Eau Claire, WI. (2018 – present)

- Associate Professor, College of Education and Human Sciences. Faculty member in Education Studies, Specialization in Science Education

Undergraduate Courses taught:

- [Science Curriculum and Instruction Grades 1 - 8 \(ES 308\)](#)
- [Teaching Physical Science \(ES 359\)](#)
- [Historical, Legal, and Philosophical Foundations of Education \(ES 490\)](#)
- [Field Experience Seminar/edTPA \(ES 497\)](#)

Roosevelt University, Chicago and Schaumburg, IL. (2006 – 2018).

- Professor, College of Education. Faculty member in Elementary Education, Specialization in Science Education (2016 – 2018)
- Associate Professor, Department of Curriculum Studies, College of Education. Faculty member in Elementary Education, Specialization in Science Education (2008 – 2016)
- Assistant Professor, Department of Teaching and Learning, College of Education. Faculty member in Elementary Education, Specialization in Science Education (2006 – 2008).

Undergraduate Courses taught:

- Career Coaching for Educators (EDUC 003)
- Child Development, Learning, and Motivation (EDUC 202)
- Critical Reasoning and Skills (PLS 201)
- Curriculum, Instruction, and Assessment (ELED 300)
- Field Experience I (ELED 303)
- Field Experience II (ELED 328)
- Field Experience III (ELED 348)
- Teaching Mathematics in the Elementary School and Middle School (ELED 321)

- Teaching Mathematics in the Elementary School (ELED 341)
- Teaching Science in the Elementary School and Middle School (ELED 325)
- Teaching Science in the Elementary School (ELED 346)
- Teaching Social Studies in the Elementary and Middle School (ELED 327)
- Supervision of Secondary Student Teachers (SEED 360)

Graduate Courses taught:

- Curriculum, Instruction, and Assessment (ELED 400)
- Field Experience I (ELED 403)
- Field Experience II (ELED 428)
- Field Experience III (ELED 448)
- Historical and Philosophical Foundations of Education (ELED 405)
- Methods of Teaching Science in the Elementary and Middle School (ELED 426)
- Teaching Science in the Elementary School (ELED 446)
- Teaching Mathematics in the Elementary School (ELED 441)
- Curriculum and Methods in Elementary Classroom (ELED 435)
- Inquiry in the Classroom (EDUC 480)
- Dissertation Writing (ELOC 689)
- Supervision of Secondary Student Teachers (SEED 460)
- Rethinking the Curriculum (TLRN 436)

Northern Michigan University, Marquette, MI. (2004 - 2005).

- Associate Professor, School of Education. Specialization in Science Education.

Undergraduate Courses taught:

- Physical Science for Educators (MSED 250)
- Science Methods and Materials for Elementary Teachers (ED 312)
- Independent Study: Topics in Elementary Science Education (ED 298)

Northern Illinois University, DeKalb, IL. (1998 - 2004).

- Associate Professor, Department of Teaching and Learning. Faculty member in Elementary Education, Specialization in Science Education (2002 - 2004).
- Assistant Professor, Department of Teaching and Learning. Faculty member in Elementary Education, Specialization in Science Education (1998 – 2002).

Undergraduate Courses taught:

- Elementary School Curriculum and Instruction: Field Experience (CIEE 383)
- Independent Study in Elementary Education (CIEE 497)
- Teaching Science in the Elementary School (TLEE 344)

Graduate Courses taught:

- Teaching Physical Science in the Outdoors (TLCI 525)
- Teaching Science in the Elementary School (TLEE 532)
- Developing an Elementary School Science Program (TLEE 533)
- Seminar in Elementary Education (TLEE 560)
- Workshop in Elementary Education (TEDU 590B)
  - Infusing Technology into Instruction
  - Developing Physical Science Content Knowledge
- Independent Study in Elementary Education (TEDU 597)
- Teaching Practicum in Elementary Education (TEDU 582B)

Northern Illinois University, DeKalb, IL. (1995-1998).

- Instructor and Graduate Assistant, Department of Curriculum and Instruction.

Undergraduate Courses taught:

- Teaching Science in the Elementary School. (CIEE 344)

- Seminar in Elementary School Student Teaching (CIEE 460)
- Elementary School Curriculum & Instruction: Student Teaching (CIEE 485)

#### Positions in Public School Teaching

School District 303, St. Charles, IL. (2005 – 2006). Science Teacher, St. Charles North High School.

- Taught courses in physics.

School District U-46, Elgin, IL. (1986-1995). Science Teacher, Elgin High School.

- Taught courses in physics, general science, and physical science.
- Supervised students in independent research projects in physics.
- Sponsored student extracurricular organizations.
- Actively participated in committee work and led staff development programs within district.

## SERVICE TO PROFESSION

### Consulting

Research Consultant, National Science Foundation. (2017, October – present). Provided professional expertise for the development and validation of a set of performance-based tasks delivered within a simulated classroom environment to improve preservice elementary teachers' ability to orchestrate discussions.

Advisory Board, National Science Foundation (2011, June – 2013 June). Served as a steering committee member for the E-TEAMS science education project. Provided subject area expertise for (1) a book (containing foundational knowledge, practical applications, and self-study materials) on how to enhance motivation for science among boys and girls in high school; (2) ancillary presentation materials (power point slides and handouts) to be used in professional development workshops and to share with parents; and (3) video demonstrations of the teaching practices and activities discussed in the book.

### Professional Memberships

#### National and International Organizations

Association for Supervision and Curriculum Development (1992 - present)

Association for Science Teacher Education (formerly the Association for the Education of Teachers of Science) (1996 - present)

National Association for Research in Science Teaching (1999 - present)

National Science Teacher's Association (1989 - present)

- Appointed to *Science Scope* advisory board (2011 – 2014)
  - Advisory Board Chair (2013 – 2014)
