RESEARCH EXPERIENCE

Roosevelt University

Lab Assistant: Student Worker

Chicago, IL

September 2015-present

- Administer surveys using Qualtrics to research participants in order to collect data for study led by Professor Albert Ellis. Purpose of study is to measure cognitions and behavioral experiences in relationships.
- Analyze survey results using SPSS to study correlations between variables.
- Create and design poster advertisements to recruit survey participants.

WORK EXPERIENCE

YMCA of Metro Chicago

Camp Counselor

Chicago, IL

June 2015-August 2015

- Supervised group of 15 campers, ages 8-10, and ensured their safety.
- Facilitated workshops and presentations for the campers, covering a variety of topics targeting their learning and development.
- Partnered with Camp Counselors and staff to plan engaging and creative camp activities.

VOLUNTEER

National Runaway Safeline

Crisis Line Worker

Chicago, IL

May 2014- present

- Completed intensive crisis intervention training about suicide, victimization, domestic violence, substance abuse and mental illnesses.
- De-escalate clients in crisis, over the phone as well as through online chat, by utilizing National Runaway Safeline techniques such as active listening, feeling reflections, and strength building in order to counsel clients out of crisis and into hope.
- Provide information and referrals to callers seeking mental health services.
