

2015-16 Chamber Music Competition Subsidy Award Guidelines and Application

Beginning with the Fall 2015 semester, the CCPA Chamber Music Competition Subsidy Award is open to members of all assigned chamber ensembles enrolled in Chamber Music programs at CCPA.

The subsidy will be used towards application costs, technical support with application material, and transportation and lodging for groups that are invited to the finals in major U.S. chamber music competitions.

Examples of contests for which entry would be subsidized are:

- Chesapeake
- Coleman
- Chamber Music Yellow Springs
- Fischhoff
- MTNA

Eligibility

All members of the ensemble must be current CCPA students, and must be currently enrolled and in good standing in the chamber music course applicable to their instruments.

Application requirements and deadlines

Groups applying for the subsidy must submit their completed application to a staff member in the Performance Activities Office (AUD 932) no less than 6 weeks before the deadline for initial application to the contest they wish to enter.

Groups must demonstrate a reasonable degree of preparedness with the requirements of the contest at the time of application. Accordingly, each group is required to perform in person for a panel of Chamber Music Faculty and the Associate Dean/Director of the Music Conservatory a representative sample of the material they will record for their application DVD.

After receipt of a completed application, the Performance Activities Office will contact the chamber group leader to schedule an audition time. Groups will be notified of the panel's decision within one week of the audition.

Application material and repertoire must conform to the competition's application guidelines to qualify for a subsidy.

The College reserves the right to decline to subsidize any application.
