I. Outside resources: Indicate outside resources and amounts you will apply to your summer 2017 enrollment charges – for example: personal scholarships, employer assistance, including RU employee tuition remission, VA benefits or other personal assistance you will provide.

II. Private Education Loan: applies to any student grade level (or eligible family member). The loan applicant must choose own lender. The application loan period is March 1 thru June 19, 2017. Most lenders have online applications. The lender will notify the Office of Financial Aid about the approved application. The Office of Financial Aid will certify the loan and apply it to the summer financial aid award.

IV. Graduate/Professional PLUS loan: I am a Graduate or Doctoral student – I must apply and complete all federal credit requirements at www.studentloans.gov March 1 thru June 19, 2017 to allow for summer processing by the U.S. Dept of Education. Graduate students must complete the federal “PLUS Loan Counseling” and the “PLUS Master Promissory Note.” The 2016-2017 FAFSA is required for federal Graduate/Professional PLUS loan eligibility.

V. Federal loan(s): Summer 2017 federal loan eligibility depends on remaining eligibility after the current 2016-2017 academic year federal loans you have received for fall 2016 and/or spring 2017. The Office of Financial Aid will determine Federal Loan eligibility. The 2016-2017 FAFSA is required for federal loan eligibility.

Financial aid funds cannot be applied to your student account until the last summer session/course in which you are enrolled has started. Federal funds require at least half-time enrollment, i.e. six-degree credit hours for undergraduate, paralegal and graduate grade levels; and, three-degree credit hours for doctoral level. Students must have a valid and current “Loan Counseling/Entrance” and “Master Promissory Note” completed at www.studentloans.gov for federal loan disbursements. The Roosevelt University federal school code is 001749.

You are welcome to meet with a Financial Services Counselor for further discussion about your eligibility for summer financial aid. Office hours are 9 A.M. to 6 P.M. Monday to Thursday and 9 A.M. to 3 P.M. Friday.

You must register for ALL summer classes and sessions at the same time. Changes to enrollment will affect award amounts since the summer cost of attendance is based on enrollment, funds eligibility and grade level. Changes to enrollment could result in a change to, or cancellation of, your summer award.
Please indicate your summer enrollment – you must actually be enrolled for the classes indicated when you submit this summer eligibility application. You must actually be enrolled for the classes indicated for funds to be disbursed to your student account:

Summer Financial Aid Terms & Conditions: These terms & conditions are in addition to those already accepted at RU Access for the academic year. You must initial next to each statement:

- I understand that payment for my enrollment charges is my responsibility, and submitting the financial aid summer eligibility application does not guarantee or confirm my eligibility for financial aid. I can only be awarded according to my eligibility by federal and University guidelines.

- I must use my own resources, personal funding, for course textbooks and materials.

- All of my courses must be applicable to my degree program. As an undergraduate student, only 15 hours of ELP courses may be considered applicable to my degree. As a graduate student ELP courses are not applicable to my degree, and not eligible for financial aid.

- I must be enrolled at least half-time in a degree program to receive financial aid. Federal loans require at least half-time enrollment, i.e. six-degree credit hours for undergraduate, paralegal and graduate grade levels; and, three-degree credit hours for doctoral level. I understand I am responsible for follow-up on University course cancellations or withdrawal from courses because my financial aid eligibility considers at least half-time enrollment for disbursement of financial aid funding.

- I must be making satisfactory academic progress in my degree program and course enrollment according to University policy and federal requirements. My continued financial aid eligibility will be evaluated at the end of the summer term the same as at the end of the fall and spring terms.

- I understand that I cannot receive financial aid from another school while enrolled at Roosevelt University.

- I understand I am required to report all outside financial assistance from personal resources or scholarships since it may affect my financial aid eligibility.

- I understand I must complete all financial aid requirements, which may include federal verification and additional documentation before any financial aid funds can be awarded and disbursed to apply to my summer enrollment charges.

- I understand that financial aid will not be disbursed until the last summer course for which I am enrolled. Enrollment expenses or payment of enrollment charges are my personal responsibility.

- I understand that reporting false or conflicting information to obtain financial assistance is grounds for forfeiture of all financial aid eligibility, and that I may be reported to the U.S. Office of the Inspector General and subject to prosecution for federal fraud.
