

Bicycle Room Usage Policy

Bike room spaces are available to students, faculty, and staff of Roosevelt University, free of charge. Spots are not assigned.

To register to use the room, RU students, faculty, and staff must use our online registration form found at: <http://www.roosevelt.edu/sustainability/initiatives/>

1. Those interested in using the bike room must:

- a. Register online (link above). When the room is at capacity, new users will not be able to register.
- b. After registering, visit Campus Planning and Operations in Wabash Room B-16 to get a bike sticker. The bike sticker must be placed on the top tube or down tube of your bike.
- c. Once you have your sticker, ensure that Campus Planning and Operations gives you access to the room. If Campus Planning and Operations is not available, take your sticker to Campus Safety in the Wabash Lobby and have them provide you access to the room.

2. You must re-register to use the Bike Room in a timely fashion.

- a. You may only register for up to three semesters at a time.
- b. When your registration has expired, you must go online and re-register using the provided form. You can also email [greencampusru@gmail.com](mailto:green campus ru@gmail.com) or call 312-341-3600 to get a copy of the form.
- c. *If your bike is in the room, and your registration has not been renewed:* we will attempt to contact you. If there is no response within 72 hours, your bike will be removed and handled as abandoned property. Campus Planning and Operations will keep your bike for up to 60 days, and will then donate or recycle it if it is not claimed.
- d. If you are gone for the summer, you may not leave/store your bike in the room (except in extenuating circumstances). If it is left, procedures stated above will be enforced.

3. Marked spots are reserved for Wabash resident students. If a non-resident bike is occupying a marked spot, it may be removed without notice and procedures stated above will be enforced.

4. Users of the room are not permitted to leave their bike locks in the room, if unattached to their bike. We highly encourage users to provide their own bike lock and to secure their bike in the Bike Room.
