**Tax-Exempt Financing Compliance Policy and Procedure**

**Purpose and Scope**

**Purpose of Compliance Procedure.** The University understands that in order for interest on the applicable Tax-Exempt Bond issue to be excluded from gross income for federal income tax purposes (or to qualify for tax credits, such as in the case of "build America bonds"), the Code and related regulations impose ongoing requirements related to the proceeds of such Tax-Exempt Bond issue and the Project financed or refinanced thereby. These requirements focus on the investment, use, and expenditure of proceeds of such Tax-Exempt Bond issue and related funds as well as restrictions on the use of the Project.

The University recognizes that the IRS has recommended that issuers of Tax-Exempt Bonds have a separate written policy and procedure regarding ongoing compliance with the federal tax requirements applicable to Tax-Exempt Bonds. This Compliance Procedure is adopted to comply with the IRS recommendation and to provide tax compliance and documentation.

**Scope of Compliance Procedure; Conflicts.** This Compliance Procedure applies to Tax-Exempt Bonds currently outstanding and Tax-Exempt Bonds issued in the future. If the provisions of this Compliance Procedure conflict with the Tax Compliance Agreement or any other specific written instructions of Bond Counsel related to the applicable Tax-Exempt Bond issue, the terms of the Tax Compliance Agreement or specific written instructions of Bond Counsel will supersede and govern in lieu of this Compliance Procedure. Any exception to this Compliance Procedure required by Bond Counsel as part of a future issue of Tax-Exempt Bonds is to be incorporated in the Tax Compliance Agreement for such future issue and noted by Bond Counsel for the attention of the Bond Compliance Officer.

**Amendments and Availability of Compliance Procedure.** This Compliance Procedure may be amended, restated and/or modified from time-to-time by the VP for Finance & Administration/Chief Financial Officer, subject to the approval of the President's Executive Council (if required), as necessary or advisable to effectuate tax compliance and documentation for the purposes provided herein and in compliance with the requirements of the Internal Revenue Code. Copies of this Compliance Procedure and any amendments will be included in the official records of the University.
Voluntary Closing Agreement Program. The University is aware of (a) the Voluntary Closing Agreement Program (known as “VCAP”) operated by the Internal Revenue Service which allows issuers to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available under Section 1.141-12 of the Income Tax Regulations for private use of bond financed property which was not expected at the time the bonds were issued. The University will use the VCAP program, upon the recommendation of legal counsel, following its discovery of a material event of non-compliance related to its Tax-Exempt Bonds.

The University reserves the right to modify or amend this Policy at any time, at its sole discretion. Any change to this Policy will become effective at the time designated above, and the changes will apply to both prospective students and those already enrolled. This Policy does not constitute an express or implied contract between Roosevelt University and any past, present, or prospective student, employee (including administrator, faculty, or staff), contractor, or volunteer. Unless otherwise stated, the term “Employee” as used in this Policy shall refer to all employees (including administrators, faculty, and staff), contractors, and volunteers.
